

The Relevé Project Scholarship Program

The Relevé Project (501c3) believes that everyone should be given the opportunity to study the arts, regardless of background or personal finances. In that spirit, The Relevé Project is proud to offer a scholarship opportunity this dance/arts season for students.

The deadline to submit the scholarship package is July 31, 2022.

Scholarships are available to ANY dancer, age 3+ by September 5th, 2022.

To apply for the scholarship you must provide: The application form, essay/poster or choreography project, one recommendation, proof or documentation of financial need, the dancer's signature (if over the age of 10) and a parent's or guardian's signature.

The scholarship includes tuition for 1 class for the 2022-2023 dance/arts season. The scholarship covers tuition costs only and does not cover any other cost/fees associated to studio or school membership.

If awarded a scholarship, the dancer and parent/guardian agrees to commit to:

1. Appropriate attendance in the chosen class (no more than 3 unexcused absences)
2. Commitment to the entire dance/arts season (barring any unforeseen communicated events such as injuries, relocation, etc.)
3. Being a positive role model and representing the world of the arts with a great attitude and helpful spirit.

Failure to fulfill the terms of the scholarship may result in termination of the scholarship as well as prorated billing of any tuition normally due without the active scholarship from the first day of award.

Scholarships have no cash return value. Incomplete application packages will not be considered.
